Jekalyn Carr Biography

Jekalyn Carr, age 21, is a GRAMMY®, Two-Time Billboard Music Award nominee and GMA Dove Award winning independent recording artist, profound speaker, entrepreneur, actress, and author.

She has spent half a decade on top of the charts, as a top selling independent recording artist. Jekalyn Carr currently is celebrating two #1 albums on Billboard charts all before the age of 21.

The album's lead single "You Will Win," from the "One Nation Under God" album and You're Bigger from "The Life Project" has been #1 on Billboard's Gospel National Airplay chart.

Additionally, Carr has earned eight career #1's within the last 3 years. In 2013, at the age of 15 years old, she released the poignant and powerful Billboard Top 5 single, "Greater Is Coming.

She released her first book *You Will Win! Inspirational Strategies To Help You Overcome* alongside the #1 Billboard song "You Will Win". The *You Will Win! Book*, is a collection of Carr's most poignant and riveting exhortations, inspirational messages, pointers and strategies designed to promote a victorious life, in Christ.

Jekalyn also made her television acting debut with a featured role on the television series *Greenleaf* on OWN Network. Most recently, she was featured in the movie *Never Heard* that hit theaters Nov 1st, 2018.

This embryonic artist's burgeoning national acclaim was evinced when she received the distinct honor of being named a POWER 100 by *Ebony Magazine* in 2014 as one of the most influential people in the world. She was on the same list as Beyoncé, Bishop T.D. Jakes, LeBron James, and Quincy Jones to name a few. In 2015, Jekalyn won her first Stellar Award, at the age of 16.

Jekalyn Carr has appeared on many notable televised programs, such as *The Dove Awards*, *NFL Super Bowl Gospel*, *TBN*, *Black Music Honors*, *GMA Honors*, *The Trumpet Awards*, *The Triumph Awards*, *The Bobby Jones Gospel Show*, and many more. Carr's heartfelt messages and songs touch all genres, young and older people. Jekalyn wants you to know, that you can be successful if you believe, pursue the vision and most of all trust God.

We would like to welcome our very special guest, Evangelist Jeḱabyn Carr to the resilient City of Flint, MI.

This evening of Hope, Healing and Restoration is just what our city needs! For well over 4 years we continue to work on recovery efforts to restore and heal from the pain afflicted on our most vulnerable and smallest citizens through the water crisis and ongoing acts of senseless violence.

We wholeheartedly believe this program will captivate the spirit of those who are broken, loss, depressed, angry, grieving, and restore a sense of belonging, and Hope in God.

We are confident that tonight our community will be inspired to believe in the power of unity and the possibilities of a better tomorrow.

*Sincerely,
Pastor Martez S. Warren, Sr.

The image features a vibrant orange background with a blue border. Five stylized hands in various colors (blue, teal, purple, red, and green) are arranged in a circle, reaching towards the center. Small, colorful dots are scattered around the hands, suggesting movement or interaction. The text "Get involved... make a difference!" is prominently displayed in the center, with "Get involved..." on the top line and "make a difference!" on the bottom line. The text is white with a thick, colorful outline that matches the hands.

AN IMPORTANT

MESSAGE TO

OUR YOUTH

Everything you need is within you. You are
equipped, you are great, you are strong, and you
are **CHANGE!**

Chief Theresa Stephens-Lock

Our everyday lives are incredibly busy, with family, work, career, purpose, and a number of other important needs that demand our attention. At times, it seems we have no physical, emotional, or mental room for anything else.

I ask you **TODAY**, in the name of those who **LIVE** and those we've lost to **HELP** with the Movement of Creating a Community where violence towards one another is not tolerated.

Would you commit to setting aside 2 Hours one Saturday out of the month to join with other like-minded, forward-thinking residents to identify problems, and apply solutions that are action-driven and thought-provoking?

We value your time, talents, & treasures.

See you in January 2019 at **COMMUNITY ACTION**

We are the ones we've been waiting for: We are the change that we seek."

BE AN ACTIVE PART OF THE SOLUTION

God bless the mother...

*God bless the mother who has lost
a part of herself now
Her child is gone, and yet she knows
She must go on somehow*

*She'll never be who she was once,
Before her child was taken,
And some days she can't help but feel
Her heart has been forsaken*

*They say You give the hardest tasks
To those You know are strong
But her task is so painful, Lord
... it's one that lasts lifelong*

*Please help her rise each time she falls,
Give courage for her fears,
Have angels hover ever near
To dry her endless tears*

*Keep her close, within Your arms
Each moment they're apart
Please give her comfort while she grieves...
God, soothe her aching heart*
